VOL. XXXI.

STANFORD, KY. FRIDAY, NOVEMBER 6, 1903. 8 A. M.

NO. 72

HON. JESSE M. ALVERSON.

Who was elected Representative Tuesday by the splendid majority of 944, carrying every precinct in the county.

## KINGSVILLE.

Ed McCarty, who has been away in the West for two years, is expected home in a few days.

Mrs. Mary Meeks accompanied her son, Wm. Meeks, to Cincinnati Friday to spend some time with relatives.

Charles Evans, of Lexington, came home to vote. Manfred Chevrolet, who came home to vote, is suffering from a badly sprained ankle.

Protracted meeting will commence Monday at the Christian church to be conducted by Eld. R. H. Jones, of Lexington, and Eld. Baker, of Bloomfield.

Mrs. B. C. Pennybacker and her son, Miss Elizabeth McFarland, of Knoxville, were here Thursday to see to the renting of her hotel to Edmund Murphy for the coming year. Mr. Murphy and wife will keep up the reputation of the best known little hostelry on the C. S.

W. L. McCarty, wife and son Mike, have returned from the city. Mrs. Fannie E. Carey is visiting her son, Wm. Carey, at Lebanon Junction. Mrs. Jas. Robinson and children, of Lexington, were guests of friends here last week. J. M. McCarty vacated the hotel Friday and removed to his dwelling at joining the store. Mr. and Mrs. L. D. Beagle, Miss Terence Dunn and Mr. Wm. Anderson went to Cincinnati a few days since. Mr. and Mrs. Beagle were married here last week by Rev. Davidson, of Shelby City. Mr. Beagle is a very popular employee of the C. S. and his bride the, oldest daughter of Mr. and Mrs. F. M. Dunn, is a handsome and lovely young lady.

"The election passed off quietly" can not be said of this precinct, for it was not "quiet." There was excitement, "something doing" and something done—a feat accomplished, for this little republican precinct went democratic by a good majority and we are jubilant. Our people have been celebrating since a late hour last evening. Hurray for Gov. Beckham can be heard at all times. We congratulate Judge Bell and Hon. Jesse M. Alverson, whom we "just knew" were going to be elected and rejoice in the grand victory of the splendid ticket and feel no sympathy for the usurpers who would make Kentucky republican for the sake of office. If democracy was ever right (as it always is) it is in the right this time and the public has proven that it recognizes correct principles. Mr. G. A. Walter, was as usual, one of the foremost workers and deserves great credit. Mr. J. M. McCarty was another earnest worker. A great many votes were challenged owing to so many removals to and from other precincts. Though we live in the "suburbs" and not in the heart of the city, we can hardly write, owing to the continuous celebration, but our heart is with them.

## A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove, Ill. It developed a stubborn ulcer unyielding to doctors and remedies for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles, 25c at all Drug Stores.

## HUSTONVILLE.

Listen for the wedding bells in the West End about the 18th inst.

Wm. Clod sold his farm near town to Mr. Smith, of Garrard, at \$62.50.

S. D. Yowell and family have moved to the Harper home, recently sold to F. M. Yowell.

John Basley and wife were with his brother-in-law, S. D. Yowell, a few days last week.

Hallowell furnished its usual amount of trouble, some of which ended in the police court.

An old time spelling bee at the college one evening last week was greatly enjoyed by the participants.

Bert Shewmaker reports fine success on his fishing trip in Casey last week. When Bert can catch them they are sure "E Z."

A long felt want in our city is now being supplied by our up-to-date tonorial artist in keeping on hands all the leading daily papers and a specialty is made of Sunday customers. He deserves your patronage.

Dinwiddie & Shugars, of Bradfordsville, have sold out their stock of drugs and groceries and returned to their respective homes. Billie will take a "grip on the road" and warm the tracks of any competitor.

The shipments of cattle from our station has become so enormous we cannot take the space to itemize same. Last Saturday there was a train load of 625 cattle shipped and more are to follow. Their weights ranged from 800 to 1,890.

The ladies of the Christian church deserve much praise for their untiring efforts in church work. They furnished a splendid lunch at the Harper sale and on election day and were, as they should have been, well patronized. Their exchange next door to Baughman & McCormack is open every Saturday and should be visited by everybody who loves to eat.

## Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c at all Druggists.

Mr. Grandly—And now, my little man, can you tell me why you are so happy to day?

Tommy—Yesir, dere's a spider in yer whiskers!

Dear Doctor—Regarding your cough medicine, I wish to say that I used one bottle of your cure for my boy. Now the bottle is gone and so is my boy."

"I would love to marry a typewriter."

"Why?"

"Because I could dictate to her."

"Dear Doctor—My wife is at death's door. Kindly call and pull her through."

We came near having a big fire in our town Sunday. The hotel caught on the roof and had it not been for the heroic work of John Wentzel in climbing to the place of fire, the building might now be in ashes.

Wm. White, Jr., is preparing to put in a stock of dry goods and groceries at F. W. Davis' shop and will keep everything usually found in a country store. Wm. Anderson and Matthew Johnson have been doing a land office business selling beef here.

## The Game Bird Crows

It Is His Time, So Let Him Do So.

His Reason For Crowing is That His County, District and State Has Gone Democratic.

## A DEMOCRATIC LANDSLIDE.

Let the game bird crow. It's his time.

It was a land slide and the slide came our way.

It seems that as Lincoln went, so went the country.

"Praise the Lord," as good old Bro. Barnes would say.

The 8th district went democratic by a majority of 2,915.

Gov. Beckham's majority is certainly 25,000 and may reach 30,000.

It was a glorious day for democracy and everything seems to have been on that side.

Crab Orchard is entitled to the blue ribbon. The democrats of the East End know how to do things right.

Mercer's 351 majority is good, but it might have been better. We were figuring on 500 for that good county.

Not even the most sanguine democrats believed Mr. McKelvey would be so badly turned down in his own county.

Judge Bell and Commonwealth's Attorney Hardin we salute you and congratulate you and are glad to say we'll see more of you.

Hill Spalding, who turned republican after he went to Louisville a year or so ago, was defeated for Representative, we are glad to say.

Mr. Alverson carried the four Stanford precincts 252, Crab Orchard, 206, Hustonville, 286, Waynesburg, 116, Highland, 35, Kingsville, 69.

Bless old Garrard. She did herself proud. Like Lincoln, she is no longer a doubtful county. Three cheers for the gallant democrats over there.

"Not as deep as a well nor as wide as a church door, but the majority will suffice," said Mr. R. R. Gentry as the good portion of the returns came in.

Balknap, the great business man, has returned to his business a poorer, but wiser man. His firm just couldn't spare him for four years and the people showed their mercy.

The unofficial majorities in Lincoln are Beckham, 235, Bell 175 and Alverson, 944. The court-house proposition was overwhelmingly defeated. The official vote will appear next issue.

Prohibitionists are all right, but it seems that Lincoln county does not want one at this time. Mr. Alverson's majority over Mr. Carpenter is 944 and his majority at Mr. Carpenter's precinct, where the latter only got 26 votes, was 135.

As chairman of the campaign committee, John Sam Owsley, Jr., did magnificent work. He kept in touch with what was going on in his own party as well as what the republicans were doing. The selection of him as chairman was a wise one and the victory he and his associates won was great.

So many good workers are due the credit of Lincoln county's going democratic that our space forbids mention of them all. The managers of the campaign, Messrs. James F. Holdam, W. E. Persons, Josh Wilson, George D. Weatherford, S. M. Owens, J. C. Lynn, Harvey Helm, W. S. Burch, M. S. Baughman, J. T. Embury, A. C. Dunn, W. I. Herrin, J. M. Alverson, Dick Farmer, W. O. Speed, Geo. Carter Baker Walls and others, are deserving of much congratulation for their splendid efforts. They were untiring in their efforts to wrench the county from the enemy and right well did they succeed. They certainly took Lincoln out of the doubtful column and that she will remain out, we have no doubt. It took good, hard work to do it, but there were willing heads and hands to carry on the work, which was done to perfection.

Nebraska is republican by about 12,000 votes.

THE ticket elected Tuesday is a magnificent one from top to bottom. The State ticket is composed of splendid men who will prove equal to the occasion in the management of the State's affairs, and we predict that when their terms draw to a close Kentucky will stand pre-eminent as the best managed State in the union. Gov. Beckham has proven his ability as an executive and no one will deny that the "model" governor's present administration has been a clean and most successful one. The other gentlemen who have been elected to State offices are well qualified and we have every assurance that they will fill the offices with credit alike to themselves and the State. A painstaking, honorable gentleman and a good lawyer is Hon. W. C. Bell, who has been elected circuit judge to succeed Judge M. C. Sautley. He stands well at home and is popular wherever he is known. He will be a worthy successor to the distinguished gentleman who now presides over our courts and we truly believe the people will never have cause to regret having elected him. Hon. Charles A. Bardin, who will be commonwealth's attorney for the next six years, is a lawyer of ability, a fine speaker and is well equipped for this important office. As county attorney of Mercer for eight years he has had abundant experience and we believe he will look after the State's interests with care and zeal. Mr. Jesse M. Alverson is a democrat tried and true and as Representative of Lincoln county he can always be depended on to work for the county and his constituency. His magnificent majority of nearly 1,000 shows how he stands with the people and if he does not make the county a good Representative it will be error of the head and not of the heart. He is a fine young man, full of energy and determination and is enough politician to get all the good things possible for the people he represents. Everybody likes Mr. James F. Holdam, the efficient circuit clerk, whose popularity kept down opposition for him in both the primary and final election. He is the cleverest man in Kentucky and is a born circuit clerk. A good ticket has been elected and we rejoice because of it.

WHEN Gov. Beckham is again inaugurated he will, technically, at least, enjoy the unique distinction of having three times assumed the office. As Lieutenant Governor he succeeded to the position upon the assassination of Governor Goebel, but in accordance with the State constitution could not serve out the unexpired term, because Governor Goebel had not been in office a year. The matter was again referred to the voice of the people, and he was elected to fill the unexpired term. He has just been re-elected. It has not been the custom to re-elect the Chief Executives in Kentucky, and it has been 93 years since any of Governor Beckham's 33 predecessors have been so honored. In fact, besides the present instance, only the first two, Isaac Shelby and James Garrard, have served more than one term.

THAT was a peculiar trick Boyle county played, giving Hon. P. M. McRoberts the county by 79 and Beckham by 59. The scratchers did the work we know, but whose friends did it, is the question?

If the campaign has taught one lesson above others, it is that slander is a weapon that reacts upon the party making use of it, truthfully says the Louisville Times.

TEDDY has been entertaining some more Negroes at the White House. But then that is such a common occurrence of late that it is hardly worthy of mention.

BELKNAP failed to carry his own ward. And the great business man carried very few other words, as far as that is concerned. Too much business.

### A Card From Mr. Carpenter.

Allow me through your paper to thank my patriotic friends, who regardless of party ties, supported me through the late unequal contest. And to say that I am proud of my record, knowing that it is clean regardless of the fabulous lies that were circulated about me. I am happy in the thought that my efforts were put forth in the best interests of humanity, and I will receive my reward in due season. So "Here's a tear for those who love me and a smile for those who hate."

And a hurrah for the prohibition candidate. Very respectfully,  
A. W. CARPENTER.

### POLITICAL.

The republican majority in Pennsylvania is estimated at 225,000.

Former Police Chief Devery, of New York, says he is out of politics for good.

Herrick's plurality over Tom Johnson for Governor in Ohio will probably exceed 125,000.

George B. McClellan's plurality over Seth Low for mayor of Greater New York is 63,617.

Dr. E. C. Angell, a prominent practitioner of New York, dropped dead in his polling place.

Bates, republican, was re-elected governor of Massachusetts by a plurality of 35,899 votes.

President Roosevelt's message to Congress will be read Tuesday. It contains about 1,000 words and deals exclusively with Cuban reciprocity.

Garvin, democrat, was re-elected Governor of Rhode Island by a small plurality. The republicans carried the other state offices and the Legislature.

Neither of the candidates for clerk of the supreme court of Mississippi received enough votes to elect and the election will be made by the Legislature.

Champ Clark, of Missouri, has withdrawn from the democratic minority leadership race, and the House caucus will elect John Sharp Williams, of Mississippi.

"While I am sorry that Col. Belknap was defeated, I am sure that Gov. Beckham will make an excellent official, said Caleb Powers when told of Gov. Beckham's election.

The State Journal, the leading republican paper of Ohio, says that the results of Tuesday's elections make Senator Hanna the logical republican candidate for President in 1904.

Several of the legislative contests are in doubt, but it seems probable that the next General Assembly will have a membership of 108 democrats and 30 republicans, a majority of 78 for the democrats on joint ballot.

Tom Johnson says the chief cause of the defeat of the democratic ticket in Ohio was the successful attempt of Senator Hanna to make the people believe that the continuance of prosperity demanded his return to the Senate.

Upon the application of Dr. W. Godfrey Hunter's attorneys, Judge Emmet Field, of Louisville, granted an order restraining the county clerks of the counties in the 11th district from placing the name of D. C. Edwards under the log cabin device in the coming election for Congressman. The action will be argued before Judge Field on November 7.

Judge Sautley and Hon. John Sam Owley have, in carrying Lincoln county, shown conclusively that they did their duty toward the nominees of the democratic party. Boyle county stands alone in the district in having fallen down in the judge's race, but none of this trouble can possibly be charged to Sautley and Owley, when they have demonstrated in their home county that no disaffection could have come from that county.—Advocate.

In the Third judicial district the vote is close between Judge Thos. P. Cook and James Breathitt, Cook having apparently a small majority on the face of the returns. In the Eighth, Judge B. W. Bradburn and John M. Galloway had a close finish and both are claiming the victory. In the 19th, Judge J. P. Harbeson is re-elected by a small vote, while the returns indicate the re-election of Ed Daum, republican, for Commonwealth's attorney. Judge Tavin was defeated in the Covington district.

### CHURCH MATTERS.

The Right Rev. John Brondel, head of the Catholic church in Mortana, is dead.

Revs. A. C. McFall and J. C. Wilkins were expelled from the Baptist conference at Pittsburg on the charge of dishonorable dealing and prevarication with their congregation.

There will be preaching at the Baptist church Sunday morning and evening at 11 o'clock and 7 o'clock respectively, to which all are most cordially invited. The morning subject is "The Joyful Sound" and the evening, "Lessons Learned from the Recent Campaign." "Come with us and we will do thee good." Sunday school at 9:30 o'clock.

Dr. R. G. Ramsay, pastor of the Second Presbyterian church, announced to his congregation Sunday morning that he would resign his pastorate here at an early meeting of the Synod. Dr. Ramsay has accepted a call to the Olivet Presbyterian church, located in the heart of the residence portion of Columbus, Ohio, near the State University.—Advocate.

### LANCASTER.

The contest over the city council is at last at an end. The old board won by a majority of 40 and things will now go on in the same serene way.

A Negro tried to commit suicide by hanging himself near Bettis, Monday night. He was unconscious when found, but it is thought he will recover.

The friends and acquaintances of Mr. Dick Ward regret to learn of his departure from Lancaster to live in Cincinnati. Mr. Ward is a citizen of sterling worth and we can ill spare him from our midst.

We are having a season of rejoicing among the democrats over the large majorities here and elsewhere. Garrard gives Judge Bell and the ticket 275 majority. Even Battle Row went democratic. This sounds like a return to good old times when the party ruled the roost. The best of feeling prevails in the ranks.

Dr. Barton, of Chicago, is the guest of Mrs. Geo. Patterson. Mrs. Ike Dunn, of Lower Garrard, was in the city Wednesday. Major Wm. Collier, of Louisville, is visiting his sister here. Millard West, of Chicago, is with his mother for a few days. Rev. Hagin and Mr. Clarence Tate, of Stanford, were here Wednesday. Wm. Kinnaird and wife, of Middleboro, are visiting his parents here.

Dr. J. M. Acton, a prominent physician of this city, came near losing his life while making a professional call. On the cliffs of Dix river his horse became frightened and plunged headlong over the rough precipice, a distance of 45 feet. The doctor jumped as the horse and buggy went over. The rig and horse were caught between the trees, and but for this would have gone into the river.

The C. W. B. M. service at the Christian church Wednesday was a delightful one. Rev. F. M. Tindler, of the Christian church, conducted the meeting. Dr. H. D. Smith, of Hopkinsville, made an able and practical address on the subject of "What we do for Missions," at the conclusion of which Dr. Barton, of Chicago, was introduced and delighted the audience by his graceful and ready words along the line of work. An elegant lunch was served at noon and after a social hour all went away full of missionary zeal and a determination to do much for the cause in the future.

### IN NEIGHBORING COUNTIES.

Luther Frogge was kicked to death by a mule in Wayne county.

In a fight at Danville Fountain Hasty's skull was crushed by Wm. Middleton.

Roland Wright, an aged citizen of the Cornishville section of Mercer, is dead.

The bond issue of \$20,000 carried in Danville. The money will be spent in improving the water works.

Mrs. Mary P. Graham, one of the most popular and best-known women in Marion county, was found dead in bed.

In the west end of Mercer county Calvaster Claunch shot James Adkinson through the body, inflicting a fatal wound.

Henry Washington, colored, was instantly killed by his 17-year-old son while advancing on him with a knife at Pittsburg.

Floyd Wolf was given a life sentence for the murder of Robert Gregory in Clay county four years ago. Wolf fled the country as soon as Gregory was killed and found refuge in the hills near Cumberland Gap, and lived there until there was a reward offered for him by the governor and he was captured.

The following trustees were elected by the town of Junction City, viz: Geo. Hocker, Sam Burke, Allie Dunn, Jack Booth, A. Tribble. Three of these were on the ticket favoring the licensing of saloons and two were on the anti-saloon ticket. Mr. W. R. Clarkson was elected police judge of Junction City.—Advocate.

### Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. But since the advent of Dr. King's New Discovery for Consumption, Coughs and Colds, even the worst cases can be cured, and hopeless resignation is no longer necessary. Mrs. Lois Cragg, of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all Throat and Lung diseases by all druggists. Price 50c, and \$1. Trial bottles free.

The plurality of Gen. Warfield, the democratic nominee for governor of Maryland, will probably reach 8,000. It is conceded that the democrats will have 82 votes on joint ballot in the Legislature to 41 republican.

Fred Wintman, a miser, was struck by an engine and killed at Vincennes, Ind. He had \$2,400 in bank notes, silver and gold in his pockets at the time.

One person was killed and 51 were injured, two probably fatally, in a collision between cable cars on a viaduct in Kansas City.

Six men were killed and 10 others were injured by an explosion at the United States naval arsenal at Iona Island, N. Y.

Two men may die as the result of a free-for-all fight in Hardin county.

The constitutional amendment carried in the State.

NOW that the election is over let's all get down to work. Too much valuable time is wasted in politics and it would be by far better if elections came not half so often.

PAY your taxes now before the six per cent. penalty is added. There will be no favorites played. All who have not paid by Dec. 1, will have to pay the penalty. M. S. Baughman, sheriff.

In the freight wreck near Shepherdsville, which delayed No. 23 five hours Tuesday, Will Brown, fireman, and "Lucky" Brown, brakeman, were killed and Brakeman Riley and Engineer Farra were both badly injured. It was a costly wreck to the company.

MR. M. F. ELKIN came over from Lexington to stamp under the rooster. His train did not connect at Junction City but he drove here in time to vote. "I am a candidate for State Senator and want my friends to remember me," he said to us in answer to our question, if he had fully decided to run.

THE court-house proposition was defeated even worse than the "new" councilmen's ticket. Our people will wait until the old building falls and kills somebody before they awaken to their senses. One life is worth more than thousands of court-houses, but the average voter didn't seem to think so.

THE Hon. Harvey Helm, of Stanford, addressed a large crowd at the court house Monday. Mr. Helm's speech was one of the best of the campaign, and leaves Spencer's democrats in fine spirits for the fray to-morrow. An increased majority is confidently looked for by the democrats of this county—Taylorsville dispatch to Courier Journal.

PROGRAM of Colored Teachers' Association to be held at Crab Orchard to-morrow: Welcome Address, F. L. Stepp; Response, Miss M. E. Jarman; Paper, "The Influence of the Teachers' Life upon his Community," J. L. Owens; "How to teach Spelling," Miss Annie Butcher; "Primary Arithmetic," Miss Ada Grear; "The Importance of the Reading Lesson," Miss Sarah Denny; "Primary Geography," R. C. Durham.

THE stereotyped expression, "the election passed off quietly" fits the case well. A big crowd was in town Tuesday and a large vote was polled all over the county, but there was no trouble and very little drinking and excitement. The boys in the trenches were on their good behavior and realizing the fact that they had a fight on their hands, they went in to win and the result shows how well they did. It was a big day for Lincoln's democracy and is a mere sample of what the democrats will do next year.

HIGH-HANDED BUSINESS:—Lee West and Henry Penman are in jail and Arco Cook is wanted on the charge of way-laying, beating and shooting at Frank Richards, also colored, as he and his family were returning from church Wednesday night. The three named and a number of others, who were not recognized, jumped from behind J. R. Beazley's shop as Richards was passing and after firing a shot at him beat him badly and afterward threw him in the creek. His wife's screams attracted the attention of a number of people and Marshal Jones was soon notified. The grounds for the assault is the charge that Richards sold out to the democrats in Tuesday's election. The grand jury, which is in session, will take up the case and will more than likely make it hot for Richards' assailants. It was a high-handed piece of business and the guilty ones should be prosecuted to the full extent of the law, as they no doubt will be.

### MATRIMONIAL.

The marriage of Miss Susan S. Latimer and Mr. Carlisle T. Clelland was solemnized at the residence of the bride's mother, Mrs. Etna Latimer, this afternoon at 3 o'clock by Rev. H. C. Garrison. The house was beautifully decorated and the ceremony was a most impressive one. Only the immediate friends and relatives of the bride and groom were present. Immediately after the ceremony the happy couple drove to Burgin, where they will be given a handsome reception this evening at the home of the groom's father, Mr. T. E. Clelland.—Advocate.

A sallow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney troubles. Stomach and bowels troubled, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinforced by The Draught's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. David R. Atchison, of Missouri, had the unique honor of being president of the United States one day, and that was Sunday, March 4, 1849. The term of President James K. Polk expired on the morning of that day, but as it was Sunday the president-elect, Gen. Zachary Taylor, was not inaugurated until the next day, March 5. In consequence the president pro tem of the United States Senate, D. R. Atchison, was the acting president on March 4, 1849. However, he had presided at a night session of the Senate, which lasted until after midnight of Saturday, and he slept nearly all day Sunday without realizing the fact that he was president of the United States.

A WOMAN'S COMPLEXION.—It is rank foolishness to attempt to remove sallowness or greasiness of the skin by the use of cosmetics, or "local" treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution.

Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25 cents; regular size, 75 cents. At all druggists.

David R. Atchison, of Missouri, had the unique honor of being president of the United States one day, and that was Sunday, March 4, 1849. The term of President James K. Polk expired on the morning of that day, but as it was Sunday the president-elect, Gen. Zachary Taylor, was not inaugurated until the next day, March 5. In consequence the president pro tem of the United States Senate, D. R. Atchison, was the acting president on March 4, 1849. However, he had presided at a night session of the Senate, which lasted until after midnight of Saturday, and he slept nearly all day Sunday without realizing the fact that he was president of the United States.
